

Northside Pharmacies

AN AFFILIATE OF GENESIS HEALTHCARE SYSTEM

WELLNESS SCREENING

Bone Density Screenings in May Cost is \$5

Northside is offering Bone Density Screenings to our communities throughout May.

Are you at risk for Osteoporosis?

It is often called the “silent disease” because it develops without symptoms. At any age it’s never too late to take steps to protect your bones. Bone density is an easy and non-invasive. There is a \$5 fee for this screening..

Available at the following Northside locations...

Tuesday, May 9th..11am-1pm
