

Genesis Women's Health Fair

The Genesis Heart, Lung & Vascular Group will be hosting a women's health fair the third Tuesday of every month, at our Cambridge location. This is an opportunity for attendees to talk one on one with Ariane Neyou, MD, cardiologist or a cardiology Nurse Practitioner, to discuss any heart-related questions or concerns.

Free screenings and information related to women's health will be available:

- Glucose (fasting)
- Cholesterol (fasting)
- Dermaview
- Blood pressure
- Heart rate and oxygen saturation (SpO2) readings
- Diabetes exercise and nutrition education
- Vascular disease information
- Tobacco cessation resources

For more information contact Becky Mathia, RN, at (740) 421-9234.

Third Tuesday of Every Month

Time 8-10 a.m.
